**Company Profile**

GreyOrange is a multinational robotics firm that designs, manufactures and deploys advanced robotics systems for automation at warehouses, distribution and fulfilment centres. With deep domain expertise, world class hardware and software engineering and the passion for solving real life business problems, the company is disrupting the way logistics and supply chain processes across the world are being automated.

Founded in 2011, GreyOrange has grown rapidly from a two-man team, and today has over 500+ employees. GreyOrange is headquartered in Singapore with offices in India, Hong Kong and Japan, providing 24x7 customer support globally. Over 35% of our employees work in the state-of-the-art Research and Development centre in Gurgaon, India. Our key clients include major e-commerce players such as Flipkart, PepperFry, Jabong and Sodimac, FMCG giant Hindustan Unilever, and logistics companies such as Kerry Logistics, Aramex, DTDC, Delhivery, Gojivas and Ninjavan.
